CHANGING YOUR BENEFIT ELECTIONS

During the year, you cannot make changes to your medical, dental or vision coverage or to your Health Care or Dependent Care Flexible Spending Account unless you have a Qualified Life Event. If you do not contact your Engage Benefits Specialist within **30 days** of the Qualified Life Event, you will have to wait until the next annual Open Enrollment period to make changes (unless you experience another Qualified Life Event).

*Qualifying events have specific reporting requirements; most must be reported within **30 days; If any premiums have been missed back to coverage effective date, those will be collected.**

- * If you miss the required reporting period, you need to wait for open enrollment (or a second QLE) to make benefit changes.
- * Documented proof of your event is required.
- * Dependent verification document such as a birth certificate, marriage certificate, domestic partner affidavit, etc. are required.
- * In addition to the information provided here, other provisions and restrictions may apply.
- * Changes in coverage will take effect the first of the month following the date of the qualifying event.

If you have a Qualifying Life Event and wish to update your benefits, contact Engage at 888-780-8807.
