

# Deductible Waived – Drugs, Devices, and Tests

Some of our High Deductible Health Plans (HDHPs) provide coverage for maintenance medications, devices, and tests before you meet your deductible. To find out if your plan includes this benefit, take a look at your Member Payment Summary (MPS) or contact our Pharmacy team.

We've listed the most commonly used covered medications, devices, and tests with no-deductible coverage\*. If you don't see the one you are looking for, call our Pharmacy team.

To get a free glucose meter/monitor, visit [choosefreestyle.com](http://choosefreestyle.com).
